The screenshot shows a web browser window with the URL `localhost:5000/signup`. The page features a registration form titled "Register Now!!" with a light blue background. The form includes input fields for Username, Name, E-mail, Phone Number, Password, and Re-enter Password. A "Sign up >>" button is located below the fields. At the bottom of the form, there is a link that says "Already have an account? [Sign in](#)". The background of the page is a scenic image of a beach with a palm tree and a blue sky with clouds.

This screenshot shows the same registration form as the previous one, but with the following data entered into the fields:

- Username: karthi

The "Sign up >>" button is now highlighted. The background image of the page is the same beach scene.
